Growth Group Study Questions

For the week of April 16, 2023

QUICK REVIEW

Looking back at your notes from this week's teaching, was there anything you heard for the first time, that caught your attention, challenged, or confused you?

MY EXPERIENCES

Describe a time in your life when you experienced real community and connectedness with other believers.

DIGGING DEEPER

1. What do you learn from Genesis 2:15-25 about loneliness and the human need for fellowship?
2. Suppose you made this commitment: "I am going to open my life in a way that allows others to know me deeply". What are some of the possible **risks** you would take? And what are some of the possible **joys** you might experience?
3. It's a bit dismaying to realize that you're going to be spending eternity with people in the family of God you don't even speak with on earth! Quite frankly, when someone has wounded us, it's natural to want to keep our distance. But we do need each other according to Romans 12:9 –16; 1 Corinthians 12:20 –27. How can you effectively know others and be known, love others, and be loved, celebrate others, and be celebrated, serve others, and be served?

HOMEWORK

How many people in your life really know you—your dreams, your struggles, your fears, the areas of your life that need accountability? How can you begin to truly get involved in one person's life this month?
